Green Lake County Fairgrounds/Highway Shop - 570 South Street in Green Lake

What to Bring

- Aerosol spray cans
- Batteries (Auto & Lithium Ion)
- Fertilizers, pesticides, herbicides
- Fluorescent bulbs
- Household cleaners/poolchemicals (bleach, drain, metal, oven, polishes, toilet)
- Motor oil and Vehicle fluids (antifreeze, brake fluid, gas)
- Stains, varnishes, solvents (lead or oil based paints, thinners, strippers removers)
- Tires (cost \$ per tire)

Any product labeled toxic, poison, corrosive, flammable, combustible, or an irritant.

Do NOT Bring

- Ammunition & Explosives
- Appliances & Freon Gases
- Demolition Materials
- Electronic Waste
- Fire Extinguishers & Smoke Alarms
- Garbage or Recyclables
- High Pressure Cylinders (propane)
- Latex Paint
- Mattresses/Furniture
- Medical/Infectious Waste (sharps)
- Medicines (Rx or over the counter)

Residents wishing to dispose of latex/ acrylic (water-based) paint are advised to dry the paint in the can and discard it in regular household garbage with the lid off. To help dry out paint, add kitty litter, newspaper, sawdust or a product called waste paint hardener.

If you have any questions, call the Land Conservation Department at 920-294-4051 or Click here for more information about Clean Sweep on our website
